

Withington and Old Moat Mobile COVID Vaccination Clinics

Tuesday 13th April, 10.00am - 3.30pm
Co-op car park, Copson St., Withington, M20 3HE

You can pop into this clinic if any of the following apply:

- You have a long term condition such as diabetes, COPD or heart disease
- You're aged 50 or over
- You're caring for someone

If you're over 18 and bringing an older relative who meets this criteria, we'll vaccinate you too.

No booking required. First doses only. NHS staff will be there to talk through any concerns you have.

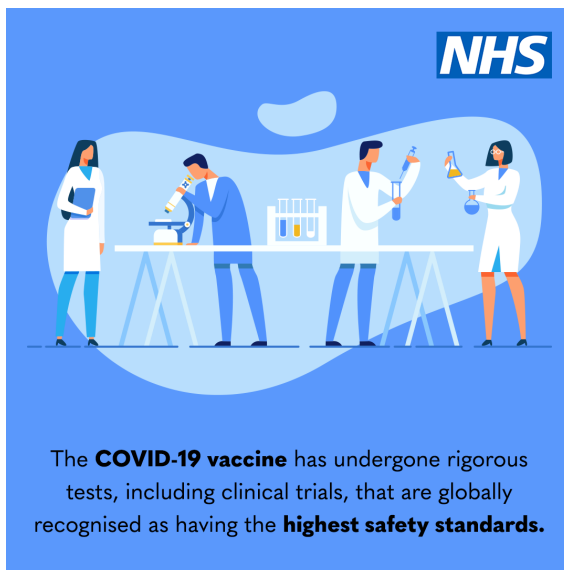

Ramadan: most Islamic scholars agree that the vaccine does not invalidate your fast following a British Islamic Medical Association (BIMA) consultation.

Protect yourself and your family

Health services across the UK have now administered over 36.6 million vaccines.

The vaccine provides protection from developing moderate to severe COVID-19. It takes to around three week to develop immunity and trial data suggests a very high degree of protection from COVID-19 . It is important to get this protection even if you have had COVID.
